- Contact Details

# Acknowledgements

- I would like to thank Mr. Ken for the inspiration, Clevered Faculty for the continuous support and my parents for the encouragement. This experience has provided me with foundation to pursue my future goals.

# About Me..

- ❑ Preet Pannu, 15 years, Grade 10 student from Abu Dhabi Indian School
- ❑ Interested in creating real life applications, acquiring skills in python coding and understanding the research opportunities

# About My Internship with Clevered..

- This is my first encounter with coding

# About App..

- Sign In
- Start Monitoring

This App helps in monitoring an online class. It will generate a warning when a student not paying attention, looking away or indulges in playful acts.

**How do I use the App?**

# Sign In

- Welcome screen / sign in option
- Enter User ID
- Enter Password

# Start Monitoring

- Screen of the App / Webcam access option
- After signing in, “Monitoring Starts”
- App will start monitoring the students.
- Warning will be posted in case any student is not attentive

# Contact Person

- Please reach out to Preet Pannu at [preet.adis@gmail.com](mailto:preet.adis@gmail.com) address for any questions/ concerns/ suggestions on the App

**Thank you!**
